Event safety

Keeping our guests safe is our number one priority. Below are some important details to make sure you have a safe and fun day at Teddy Bear Fun Run!

First aid

Our medical team will be located outside of the **Rundle Family Centre**.

If you're at the event and can't get to the first aid tent, please advise a nearby volunteer or staff member who will arrange for the medical team to come to you.

Lost person

Teddy Bear Fun Run is introducing a new **Lost Cub program**. We will provide wristbands at package pickup and at the event. Please put your name and cell phone number on the inside of the wristband and put it on your child so that we can easily get in touch. If you and your child are separated, please alert one of our staff members or volunteers and head to the family centre where our team will bring any found children.

Weather

We will monitor the forecast leading up to event day. Teddy Bear Fun Run will move forward with light rain or wind.

Should more severe weather conditions take place, we reserve the right to postpone or cancel the event. In this case, guests will be notified and an announcement will be made on-site. Please note that we will be unable to process any refunds should a cancellation occur.

Remember, if you see anything that appears to be unsafe, please report it to one of our staff or volunteers.

If you have any questions, please feel free to contact Nikki Fullerton, event specialist at 780.431.4623 or nikki.fullerton@stollerykids.com.
